

## **A Launchpad for Emerging Leaders**

NextUp JAX, a program of the JAX Chamber, focuses on bringing together Northeast Florida's emerging leaders and harnessing their talents to create initiatives that better the community. To get involved, prospective members (ages 21 - 40) can complete an online member agreement and pay a \$100 member fee for individuals employed at JAX Chamber member companies (\$200 for employees of non-chamber member companies). Benefits of membership include free or discounted events, networking opportunities with community business leaders, updates on key issues impacting our region, and much more.

### **→ Committee Engagement Opportunities**

- Service and Giving – Work with local nonprofits to improve the lives of others.
- Social and Cultural – Interact with your peers by attending fun, social/cultural events across Jax.
- Community Engagement – Engage with other members while exploring and experiencing Jacksonville's many unique offerings.
- Public Policy – Learn about local planning and pending legislation, interact with elected officials, and learn about political and community issues.
- Professional Development – Grow as a professional through seminars, trainings and leadership development opportunities.
- Membership – Promote member involvement in NextUp JAX by creating an experience that is both engaging and meaningful.

**Signature Event:** At the end of the calendar year, the NextUp JAX Holiday Party shines the spotlight on young professionals who are making a positive impact on the future of our city.

### **→ Leadership Programming**

- Hightower Emerging Leaders Fellowship – Brings together a class of talented professionals with prominent and influential Jacksonville leaders. Fellows build relationships and learn from Jacksonville leaders who are giving back to the next generation through round-table discussions and leadership lessons.

Program fee is \$2,000 per person, Cohort class size: 17
