

Danielle “Dani” Reagan Wampler

T & L Student Support Grant

JAX Chamber Transportation & Logistics Council

The JAX Chamber Transportation & Logistics Council is proud to introduce the "Danielle “Dani” Reagan Wampler Transportation & Logistics Student Support Grant," a philanthropic initiative designed to champion and uplift the promising students within the Northeast Florida educational arena who are pursuing educational excellence in transportation and logistics. Generously funded by the JAX Chamber Transportation & Logistics Council, this grant provides financial assistance to a dedicated and ambitious student committed to making strides in this dynamic field.

Acknowledging the Council's commitment to fostering talent and academic excellence, the grant will assist the recipient by providing a stipend for educational or living expenses. The selected student receives both financial support and access to valuable networking opportunities within the robust transportation and logistics industry of Northeast Florida. The grant is a testament to the Council's dedication to nurture the next generation of leaders in the field, fostering innovation, and promoting the continued growth of the transportation and logistics sector in the region. This grant affirms the Council's vision to create a thriving community of skilled professionals in transportation and logistics in Northeast Florida.

Dani was a long-time member and true supporter of the T&L Council. Her smiling face and warm personality welcomed members and guests at the registration desk for the monthly luncheons. She was enthusiastic, very creative and was always sharing ideas of how to grow and improve the T&L Council. Dani exhibited that same dedication and fervor in her workplace. For those who knew her, Dani lived her life to the fullest, had an undeniable sparkle and will always be remembered.

Danielle “Dani” Reagan Wampler T & L Student Support Grant

2026 Award: \$500–\$1,000 per student.

A minimum of one grant will be awarded to a qualified student.

Additional awards may be granted based on the number and quality of applications.

Funds may be used for any student-related expenses.
